## **CORONAVIRUS (COVID-19)**

**01 April 2020**

---

### **COVID-19 / Campbell County IAP / Briefing (SITREP #10)**

**CAMPBELL COUNTY, KENTUCKY  
ALL-HAZARDS EVENT BRIEFING FOR  
COVID-19 ~ APRIL 01, 2020**

**SITUATION REPORT #10**

**PURPOSE:**

The purpose of this all-hazards event planning briefing is being provided for guidance and to prepare for the planning sequence for Coronavirus (COVID-19).

It is expected that further international exportation of cases may appear in any country, state, county, and city. Thus, all communities should be prepared for containment, including active surveillance, early detection, isolation and case management, contact tracing and prevention of onward spread of COVID-19 infection, and to share full data with community leaders.

Coronavirus disease 2019 (COVID-19) is a respiratory illness that can spread from person to person. The virus that causes COVID-19 is a novel coronavirus that was first identified during an investigation into an outbreak in Wuhan, China.

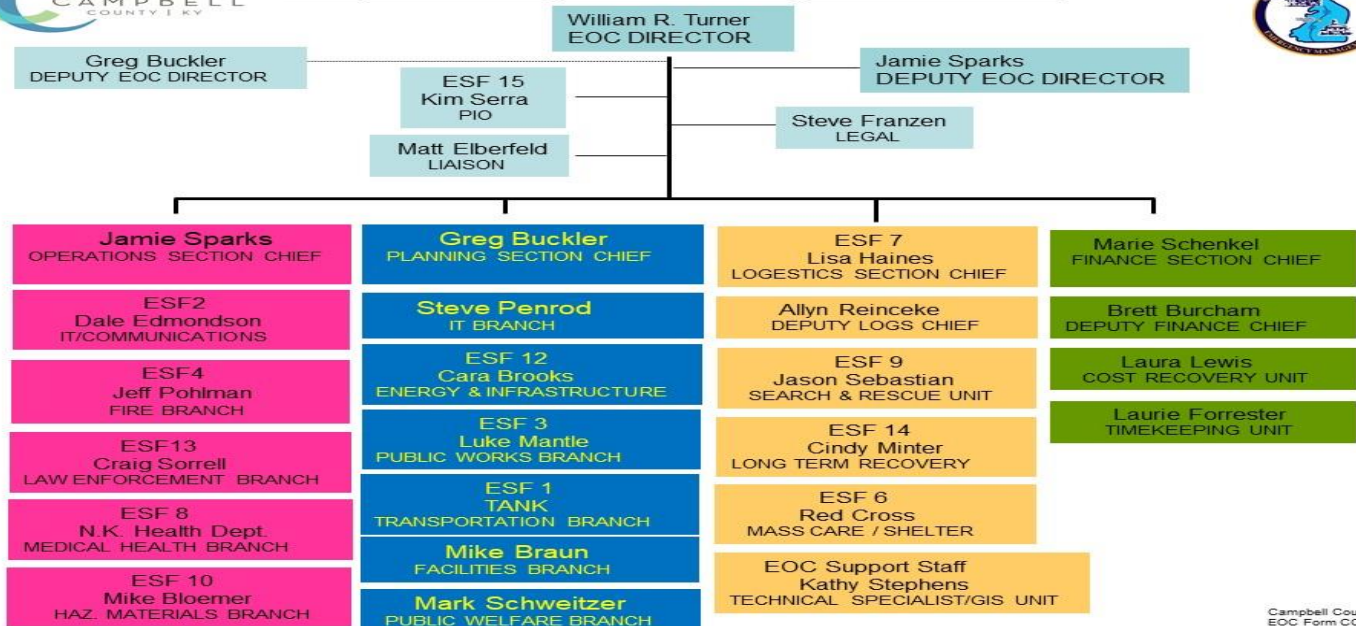

**SITUATION REPORT FOR CAMPBELL**

The Campbell County Office of Emergency Management is continuing efforts to prepare for the likelihood of more COVID-19 illness coming to Campbell County and monitoring events as they evolve by maintaining an open dialog with the Northern Kentucky Health Department and the Kentucky Division of Emergency Management. Correspondence with the Northern Kentucky Health Department remains fluid with routine updates as necessary. The Kentucky WebEOC incident name "2020- 0467-Novel Coronavirus (COVID-19)" has been establish with daily Commonwealth SITREP's and county updates. KY WebEOC: <https://webeoc.kyemweb.com:8232/eoc7/>

Governor Beshear issues executive order urging Kentuckians not to travel out of state.

#### March 31, 2020

Campbell County Office of Emergency Management is reducing face to face interactions between OEM staff and the public. There will not be any staff in the office unless the situation merits or until further notice. This in no way effects our response to incidents or work outside of the office. Staff will be closely monitoring email, and accepting phone calls during this time.

Campbell County Coroner Mark Schweitzer has requested PPE for his staff. 10 gowns, 20 face shields, 50 surgical mask and 80 shoe covers. The request has been completed and delivered.

Chief Schultz with Central Campbell Fire has requested 20 L gowns, 20 XL gowns, 20 XXL gowns and 100 N95 mask. The request has been completed and delivered.

**COVID-19 HEALTH TIPS**  
**When To Seek Care**  
To ensure the sickest people receive care, help minimize the spread of infection and maintain resources, please follow the guidelines below when considering whether to seek medical care.  

Stay home	Call for advice	Seek care
If you are worried-well, please stay home or call the Kentucky State Hotline (1-800-722-5725). Going to a hospital or doctor's office adds to a higher concentration of people and further overwhelms medical staff.	If you are ill, but would not have sought care if not for COVID-19, do not seek in-person care at an ER, hospital or doctor's office. Instead please call your local healthcare provider or local health department.	If you are sick and feel you have an emergency, please call your doctor or seek medical care. Hospitals and medical staff across the commonwealth stand ready to serve you.

Please visit [kycovid19.ky.gov](http://kycovid19.ky.gov) for the latest updates on COVID-19 in Kentucky or call the Kentucky state hotline at 1-800-722-5725
